1. Limit 2 calls per maker per division.
2. Calls submitted for entry become property of the Holmes Creek Long Spurs NWTF Chapter and may be sold by the chapter for fundraising or disposed of at their discretion.
3. Deadline for entry: Submissions must be received no later than October 1, 2022
4. A panel of judges will be used in determining winners.
5. All scores will be recorded in ink by the judges.
6. Judging will take place in person between Oct 1 and Oct 20, 2022.
7. The winners of the call makers contest will be announced on Oct. 30, 2022. The top three (3) winners in each division will be awarded applicable metals for the division.
8. These rules are subject to change within the sole discretion of the Committee
9. Scorers will calculate each score sheet, providing the total score at the bottom of each sheet and recording all scores on a combined tally sheet. A contestant's final score will be the total of all judge's scores. Ties will be broken by the lead judges score.
10. Sixty (60) is the highest possible score from each judge using a point scoring range of 1- 20 in one (1) point increments based each on the following criteria:
 - Ability to produce turkey sound
 - Ease of use
 - Overall craftsmanship

*****All air blown calls (Tube, Wingbone, Locator, and Trumpet) will be judged strictly on aesthetics and craftsmanship.***
